

ASSIGNMENT TITLE

Your Name

Thursday 18th March, 2021

Using mandi version v3.0.0i dated 2021-03-18

List of GlowScript Programs

1	A Placeholder Program	3
---	---------------------------------	---

List of Figures

1	This problem's diagram.	2
---	---------------------------------	---

PROBLEM TITLE HERE

Every document must have only ONE problem. You can have as many problem parts as you need. Each part will need a `physicssolution` environment only if extended mathematical content is necessary.

(a) blah blah blah

PUT YOUR SOLUTION STEPS HERE (1)

(b) blah blah blah

PUT YOUR SOLUTION STEPS HERE (2)

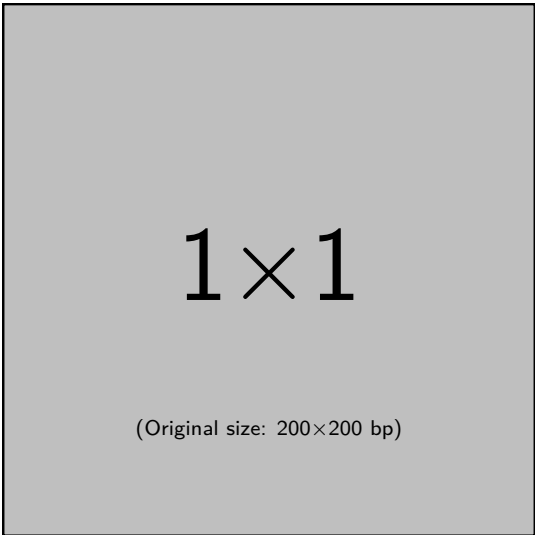

Figure 1: This problem’s diagram.

Figure 1 is nice. It’s captioned **This problem’s diagram** and is on page 2.

GlowScript Program 1: A Placeholder Program

```
1 GlowScript 3.0 VPython
2 # This is just a placeholder.
3 # It is part of the mandi documentation.
4
5 sphere()
```

GlowScript program 1 is nice. It's called **A Placeholder Program** and is on page 3.
