ASSIGNMENT TITLE

Your Name

Sunday 4th April, 2021

Using `mandi` version v3.0.0j dated 2021-04-04

List of `GlowScript` Programs

List of Figures

PROBLEM TITLE HERE

Every document must have only ONE problem. You can have as many problem parts as you need. Each part will need a `physicssolution` environment only if extended mathematical content is necessary.

(a) blah blah blah

$$PUTYOURSOLUTIONSTEPSHERE \tag{1}$$

(b) blah blah blah

$$PUTYOURSOLUTIONSTEPSHERE \tag{2}$$

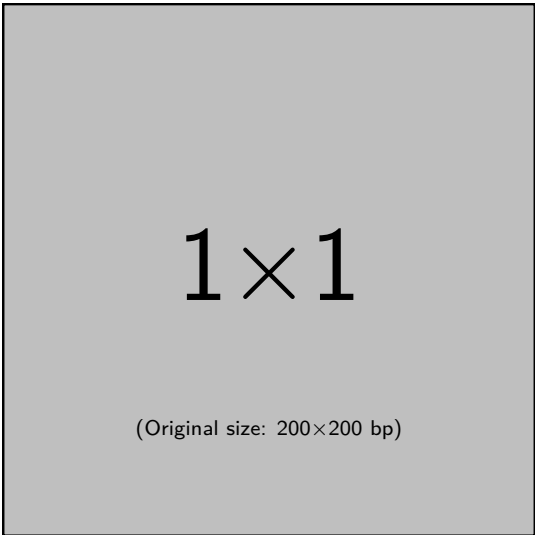

Figure 1: This problem's diagram.

Figure 1 is nice. It's captioned This problem's diagram and is on page 2.

GlowScript Program 1: A Placeholder Program

```
1  GlowScript 3.0 VPython
2  # This is just a placeholder.
3  # It is part of the mandi documentation.
4
5  sphere()
```

GlowScript program 1 is nice. It's called A Placeholder Program and is on page 3.
